MERIT® SERIES

13ACX

Economical,
energy-efficient
air conditioner

The perfect choice for affordable and efficient comfort.

Reliable performance, ideal comfort and money-saving energy efficiency all come together in one perfect package in the Merit® Series 13ACX air conditioner. Its dependable scroll compressor and high-efficiency outdoor coil work together to keep your home comfortable and your energy costs under control.

Built for lasting quality

Every component in the 13ACX is designed for exceptional durability and easy maintenance year after year. Every unit is built solid inside and out and thoroughly tested before leaving the factory. And once it's installed, Lennox' industry-leading warranty coverage adds another layer of protection for your investment.

5-year limited warranty on the compressor and all remaining covered components.*

Efficient, economical cooling

Direct-Drive Fan – Precision-balanced direct-drive outdoor fan is designed to provide quieter operation and longer product life.

Dependable Scroll Compressor – Provides reliable and efficient operation.

High-Efficiency Outdoor Coil – Provides exceptional heat transfer and low air resistance for high-efficiency operation.

Corrosion-Resistant Cabinet – Protects against rust and corrosion with heavy-gauge, galvanized steel construction and a durable, baked-on finish.

Durable Louvered Coil Guard – Provides long-lasting coil protection.

13ACX meets or exceeds 13.00 SEER**
(Seasonal Energy Efficiency Ratio)

*Applies to residential applications only. See actual warranty certificate for details.
**Actual system efficiency may vary depending on the exact system match. Efficiencies are representative of a single AHRI Most Popular matched combination. Always verify actual system efficiencies through AHRI or by visiting AHRI ratings database at www.ahridirectory.org.

Lennox is proud of the fact that these products have earned the Good Housekeeping Seal.

Proper sizing and installation of equipment is critical to achieve optimal performance. Split system air conditioners and heat pumps must be matched with appropriate coil components to meet ENERGY STAR® criteria. Ask your Lennox Dealer for details, or visit www.energystar.gov.

This NAHB Research Center Green Approved mark is your assurance that a product is eligible for points toward National Green Building Certification. Visit www.GreenApprovedProducts.com for more details.

Note: Due to Lennox' ongoing commitment to quality, all specifications, ratings and dimensions are subject to change without notice.
